Tri-Hi-Y

The purpose of the Tri-Hi-Y is to create, maintain and extend throughout the home, school and community high standards of Christian character. The platform of the club is clean speech, clean sportsmanship, clean scholarship and clean living.

Some objectives of the club are: (1) Develop personal integrity and self-discipline. (2) Perform useful home, church, school and community service. (3) Co-operate with other groups of young people to achieve worthwhile objectives. (4) Develop an active and growing relationship and responsibility to the Christian Church. (5) Practice democratic methods. (6) Prepare adequately for the responsibilities of the future. (7) Maintain a perspective in a world of shifting values. (8) Develop a growing sense of personal worth, based on Christian concepts and values.

The club sponsored the Winter Wonderland Dance of 1956.

Hi-Y

The Hi-Y Club is the Y. M. C. A. in the high school. It is a fellowship of high school boys who are committed to a Christian purpose at work in the home, school, or community.

The Hi-Y Club endeavors to create, maintain, and extend throughout the home school, and community high standards of Christian character.

The Hi-Y tries to develop personal integrity and self-discipline, a growing sense of personal worth, based on Christian concepts and values, and an attractive and growing relationship and responsibility to the Christian church. The club performs useful home, church, school, and community services and co-operates with other groups of young people to achieve worthwhile objectives.

The members of the Hi-Y believe in clean speech and practice it; they avoid profane and smutty language.

The club stands for clean sports. Its members play the game cleanly and fairly. They would rather be a good loser than to win unfairly.

The Hi-Y members believe in and practice clean scholarship. They do not cheat on examinations or assignments, believing that each must stand on his own merits.

People who believe in clean habits must make them. The Hi-Y member avoids forming bad habits and fights against things that form them. Part of worship of the Creator is the living of a wholesome life.

The local Hi-Y in connection with the Tri-Hi-Y entered a float in the Homecoming parade and sponsored the Christmas dance. As a unit the club has attended various churches in Marian. Several of the Hi-Y members were at the district meeting and Model General Assembly. The Easter assembly program was presented by the combined Y clubs.

Backward Glance

The largest number of students in Marion High School's history gathered together on September 4, 1956, to begin another year of study and also a little fun mixed in too.

The school spirit was already in force when the Scarlet Hurricane met the Rich Valley Steers in its first football game of the season. Marion won a 52-0 victory.

September 21 was a red-letter day for all seniors. Class rings had arrived and seniors were easily recognized by all lower classmen.

College Career Night was attended by juniors and seniors on October 11. Everyone got acquainted with representatives from 22 colleges, 7 nursing schools, 5 business schools, 2 industries, and branches of the armed forces. Each one left with his future plans made.

October 25 got the M. H. S. Homecoming off to a great start with the "Hurricane Follies" as the theme of the Variety Show. In spite of the rain, fans turned out to see Marion tie Grundy 6-6 in the Homecoming game on October 26.

Elizabeth Anderson reigned over the Homecoming Dance on Saturday night, October 27, with her court of two seniors, Barbara Starling and Pally Campbell, and two juniors, Sandra Stephenson and Ann Schulz.

For the first time in nine years the Scarlet Hurricane boys took the field and beat the Saltville Shakers 20-0 in the exciting football game on November 2.

Thanksgiving holidays arrived on November 22 and 23 and everyone welcomed them.

"The Little Dog Laughed" was the three act comedy play presented by the Junior Class on December 6. Eleanor Gullion and Ronny Medley played the leading roles.

"Wonderland Fantasies" was the setting of the annual Christmas Dance that was held on December 15. Judy Greer and Dick Goode were crowned queen and king.

Everyone shared the yuletide spirit as school was turned out on December 19 for two whole weeks of Christmas holidays.

The Hurricane Rebel Band left for the sunshine state of Florida on Christmas morning where they had been invited to play in the Gator Bowl on New Years Day.

January 4 found the students back at school and wishing they had studied more before Christmas because exams came up on the 23, 24, and 25.

An unexpected holiday came on January 30 because of the recent floods in this area.

The F. H. A. and F. F. A. crowned Polly Campbell and Bobby Eller as the Queen and King of Hearts at the annual Valentine's Dance on February 9.

The one act play "The Unsatisfactory Supper" won a distinguished rating in the district competition and a superior rating in the state competition on March 1. The very fine cast consisted of Eleanor Gullion, Jean Munroe, and Bill Thompson.

The basketball season ended with the boys having a 17-3 record and the girls a 10-1. In the district tournaments the boys won a 60-57 victory over Tazewell but lost to Virginia High by a 54-52 score. Everyone was proud of them.

The senior vs. faculty basketball game was held on March 15 with the Honorable Faculty winning both the boys and girls games.

"New Faces" was the theme of the Beta Club Talent Show as it was given on March 21.

The F. B. L. A. square dance was a big success on March 29 with all the M. H. S. "squares" attending.

"Off the Track," the Senior Class play, was given on April 11 and 12 with a fine and hard-working cast.

However, no one can forget the senior projects of selling name labels, drive-in passes, and baseball tickets to help finance their trip to Washington. But on May 15 when they started on their way it was well worth the work.

In the last months of school there were the baseball games, track meets, club conventions, Easter vacation, band concerts, and the much looked forward to Junior-Senior Prom on May 4, along with the D. C. trip. But the most important day was June 3 when GRADUATION DAY arrived for the seniors.

Everyone will surely miss the school days at M. H. S. and in the years to come look back at the many memories collected during the year of 56-57.

Opportunities today in the textile industry are truly unlimited. New man-made and natural fibers, with their almost limitless uses, are continually opening newer and broader fields for manufacturing, research and development, design and merchandising.

Burlington Industries, a young organization, which had its beginnings in North Carolina only 34 years ago, is today the world's leading textile concern.

Because of its broad diversification, Burlington offers to the young man or woman seeking a career in textiles truly unlimited opportunities in every phase of the textile field.

symbol of progress...

As graduation nears, let's take a serious look at the past. We see that education has been largely responsible for the progress of our nation.

Why? Education is PROGRESS.

Today — more than ever before — industry, business and labor, all, know the true values of a good educational system. EDUCATION continues to stand as a true symbol of PROGRESS.
